## Care Instructions

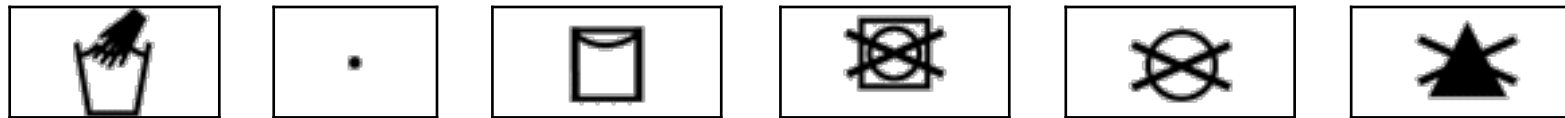

---

Do your partner complain about a funky smell in your jersey after use it? No, then do not wash it.

As a responsible consumer you understand that garments are not required to be cleaned after each use. If your jersey does not have a funky smell is not needed to be washed after use.

When is time to wash your Mi-Pana garment, follow these care instructions to keep it in perfect condition and extend long life.

**Very smelly:** pre-soak clothing in a vinegar solution or by using a special antimicrobial detergent prior to wash.

- Ensure all zips are done up and wash clothes inside-out
- Hand wash or gentle machine wash at 30°C , favor eco-certified detergents
- Wash at low temperature / low spin / in wash bag
- Use neutral detergents or activewear specific detergents
- Hang dry out of direct sunlight
- Do not tumble dry,
- Do not dry clean,
- Do not use bleach
- Do not fabric softeners, softeners might inhibit detergents to remove dirt or remove treatments on technical fabrics.
- Garments should be stored dry
